DOCKET NO. 2011-47-WS

IN RE: Application of Carolina Water Service, Incorporated)
 for Approval of an Increase in Its Rates for Water)
 and Sewer Services Provided to All of Its Service)
 Areas in South Carolina)

PETITION TO INTERVENE

Trent Muldrow (petitioner) hereby petitions the South Carolina Public Service Commission (Commission) pursuant to Rule R. 103-825 of the Commission's Rules of Practice and Procedure, to intervene as a party of record in the above-referenced docket. In support of this petition, petitioner states the following:

1. The petitioner is a current "distribution only" water customer and standard sewer customer of Carolina Water Service, Incorporated (CWS) in the Maple Grove Subdivision in Lexington County, South Carolina.
2. The petitioner opposes the proposed rate increases, fees, and modifications requested by CWS in the above-referenced docket.
3. The methods by which the pass-through charges from bulk water providers are computed for distribution only water customers is unfair. The methods do not properly give incentive to CWS to maintain its distribution network or investigate water loss or theft.
4. The proposed rates by CWS are neither fair nor reasonable in comparison with the rates of neighborhoods in close proximity not served by CWS.
5. Petitioner requests the ability to conduct discovery, present witnesses, present evidence, receive all pleadings and notices including notices of settlement negotiations, and participate fully as a party in this action.

RECEIVED MAY 3 1 2011

6. Petitioner's address to receive communications or inquiries is:
